RULES FOR CONDUCT OF SHOW

1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons assisting and accompanying them to the entity of "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC). The person who has signed the entry form will be considered to be the person responsible for the horse in question. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland. Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows".
2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If, when a horse attends a show, it's passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photo-copy of the passport, including the description and the vaccination records.
3. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three.

FOAL CLASSES

- In those shows where foal classes are held:
 - a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title or A Show.
 - b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
 - c) Foals must have a minimum age of four weeks at the date of the show, and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six month may not be shown.
 - d) The use of metal halters and halters with metal chains is forbidden.
 - e) A comparative judging system is recommended.
 - f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.
 - g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.
- Foal Judging System: Comparative

FOALS – FOR IDENTIFICATION PURPOSES

- Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.
- Foals over 6 months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

CHAMPIONSHIPS, in accordance to EAHSC rules for Championships

- **Open method**

The Gold, Silver and Bronze medal winners will be selected from amongst **all** the horses which have qualified in their respective classes for each championship.

1. The Championships will be judged as follows:

a. All the horses qualified for the championship will enter the ring in trot and line up according to the numerical order of their catalogue numbers.

b. The horses will be judged individually, standing and trotting.

c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.

- A horse nominated by a judge for Silver Medal will receive 2 points.

- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the highest number of championship points. The Silver Medal will be awarded to the horse with the 2nd highest number of championship points.

The Bronze Medal will be awarded to the horse with the 3rd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

New ECAHO method for Championship will be used.

MISCELLANEOUS

- Depending on the number of horses entered, the show committee reserves the right to change (split or combine classes) and/or cancel classes according to the rules of ECAHO.
- The classes will be held outdoors on a well-prepared grassland (show-jumping arena).
- All participants are kindly asked to study the current ECAHO "Rules for Conduct of Shows". From the Blue Book 2017
